MEMORANDUM FOR: Director of Operations, Joint Chiefs of Staff

INFO: Deputy Director for National Military Command Systems

FROM: David Y. McManis  
National Intelligence Officer for Warning

SUBJECT: Request for JSTPS Briefings and Facilities Tour

1. The Washington Area Operations-Intelligence Center Chiefs' Conference (WAOCC) will visit Headquarters SPACECOM/NORAD and SAC on 23-25 May 1984.

2. Each member of the visiting party has national-level responsibilities which include advising top governmental decision makers on various operational and intelligence matters which are related by the JSTPS mission. Among those in the visiting party are the President's Special Assistant for Crisis Management and the National Security Council's Director of Crisis Management Planning. Other visitors are Chiefs of major U.S. Government operations or intelligence watch centers. Each member of the visiting party (attachment) has a bona fide need to know about JSTPS.

3. During my recent conversations with Brigadier General C. Norman Wood, Deputy Director, National Strategic Target List, Brigadier General Wood extended his invitation to the WAOCC to tour JSTPS facilities at Offutt AFB. I personally see a WAOCC visit to JSTPS as a significant opportunity for professional cross pollination at the highest working level.

4. Request you approve a JSTPS visit and briefings for persons named on the attached list. Informal coordination with JSTPS has been accomplished.
